This meeting will be held at the home of Carl & Laura Sowers (4401 Aspen). It is very important to have full participation in this meeting. Please reserve the evening to attend. This was also posted on our Facebook page so be sure to check it out as well as returning your ballots to Kyliee.

Peggy Lee mentioned that a number of residents were asking about solar power and metal roofs. This has required us to adapt our covenants. These will be passed out and one from each residence must sign receipt of the book.

We appreciate all who attended which reflects that you care about our neighborhood.

Again please try to attend and vote early if unable to attend on October 24th.
